

# Shannon Foynes

## PORT COMPANY

### SHANNON FOYNES PORT COMPANY PUBLIC CONSULTATION

Shannon Foynes Port Company is proposing to carry out the following development works:

- Construction of a 117.5m jetty to connect the existing East and West jetty structures with reclamation of the foreshore immediately behind the jetty structure to connect to the existing shoreline.
- Extension of the port estate to include development of 38.17 hectares of land for the provision of serviced, marine related industrial development sites. The phased development of this land shall consist of the provision of an internal road network and all main services.

An Environmental Impact Assessment Report (EIAR) together with an Appropriate Assessment is being prepared to ensure that the development is fully integrated with the overall development of Foynes and that the environment is protected.

With a view to progressing the EIAR and to take account of the opinions of those who live, work or have an interest in the area, Shannon Foynes Port Company is hosting two open public consultation sessions on Tuesday 21<sup>st</sup> November 2017 and invites members of the public to attend.

Public Consultation Sessions will take place in Foynes Community Hall as follows:

Afternoon session - 14.00 - 16.00h

Evening Session - 18.00 - 20.00h

All those interested in making comments or observations are invited to attend.
