Photographed at Foynes Port recently is a group of Junior Certificate students and teachers from Catherine McAuley School, South Circular Road, Limerick who paid a visit to Shannon Foynes Port Company's largest general cargo terminal at Foynes. The students were given a tour of the port and educated about the activities of the port company. Also included in photograph are Capt. Hugh Conlon and Evelyn Adams of Shannon Foynes Port Company. In the background is the MV Hajo unloading a cargo of animal feed material.
