## NOTICE TO MARINERS

### NOTICE NO. 28 OF 2024

#### SHANNON ESTUARY – APPROACHES TO LIMERICK

##### Hydrographic Survey – Cross-River pipeline

Northern Divers (Engineering) Ltd will conduct a cross-river hydrographic survey of a submerged gas pipeline on the approaches to Limerick. The pipeline is located downriver of the Limerick Tunnel (see chartlet attached).

The survey will involve the deployment of a RHIB to conduct the sub-surface survey. The RHIB will deploy from further upstream at Limerick City slipway.

The planned date is **October 02nd**. It is intended that RHIB will deploy at approx. 0900hrs and that survey will be conducted close to Low Water (1146 hrs that date). Multiple passes of the pipeline across low water period will be necessary.

The RHIB will maintain a listening watch on VHF Ch11 and VHF Ch16.

Further information is available via Marine Operations (069 – 73103) or the Duty Harbour Master (087 – 2542266).
