NOTICE TO MARINERS

NOTICE NO. 36 OF 2024

Foynes Island Geophysical Survey

Hydro Survey will undertake a geophysical survey in relation to the Foynes Island Deepwater development project in the Shannon Estuary. The survey is to consist of a side scan survey, magnetometry and sub bottom profiling. The survey work is anticipated to run from **05th November** to **13th November**, subject to weather and operational constraints.

The locations of the survey works as follows:

Figure 1: Survey Areas

The survey will be conducted by the *'Isle of Aran'*. The vessel will display appropriate lights and signals.

Working hours will be between 08:00 and 17:30. All works will be carried out in daylight only.

Isle of Aran will be operating on:

- Ch 11 – Working Channel and maintaining watch on Channel 16.

Further information is available via Marine Operations (069 – 73103) or the Duty Harbour Master (087 – 2542266).

Signed:

Michael Kennelly
